

Cheshire and Warrington Growth Hub and Grant Programme

40%

funding available
towards business
support

You could be eligible to receive a 40% contribution* towards the cost of commercial advice, if your business employs fewer than 250 employees and has a turnover less than €50m (approx. £39m or balance sheet £34m).

Grants will range from a minimum of £1,000 up to £6,000.

WHAT SUPPORT IS AVAILABLE?

You can receive a 40% contribution* to the cost of commercial advice, subject to your eligibility. Grants are linked to employment creation and are focused on small and medium sized businesses in the Cheshire and Warrington LEP area, who can demonstrate imminent growth potential.

** Please note that the 40% contribution is claimed back after successful completion of an agreed programme of support. This service is part funded by the European Union's ERDF programme*

The grant covers a broad range of disciplines to help your business grow, including (*but not limited to*):

- **Sales and Marketing**
- **Financial Advice – Business Planning, Corporate Finance, Investment Readiness**
- **Legal Advice – Employment Law, Intellectual Property, Contracts**
- **Development of Quality Management Systems**
- **Export Development**
- **Research and Development Consultancy**
- **Procurement Advice**
- **Supply Chain Development**
- **Technical Advice and Guidance**
